Last minute Session changes: If we need to communicate information to the group, we will do it by posting to the home page of the web site and on the camp twitter feed:
http://blog.siliconvalley-codecamp.com/Session-Change-Log/
http://twitter.com/sv_code_camp

Internet available: Foothill is letting us use their classroom computers and is providing wireless. To connect, select the wireless network, "Foothill Guest." Once you have connected, open a browser and you will be directed to an authentication screen. Enter your email address to Login. To Login to the Foothill classroom computers, use the username **ctisguest.** The domain is **ctisdom** with no password.

Sunday Raffle and Lunch: Come to registration Sunday morning for tickets. You must be present to win.

Session Evaluations: All we ask of you is to enjoy your time here, learn something new, perhaps make a new friend, AND please complete an evaluation for each session you attend. Login to your account… under the session description, you will see a hyperlink at the right: Session Evaluations.

Code Camp Evaluation: Please complete the Code Camp evaluation too.
