

# Silicon Valley Code Camp for Kids 2015 Software Requirements

## Introduction to Python - Beginners - Level 1 and 2

**Instructor:** Anoop Trivedi & Josh Sanyal

**Software:**

- Python (3.5.0 or latest): <https://www.python.org/downloads/> (Download Python and install Python first in your Windows or Mac laptop).
- PyCharm IDE (latest version): <http://www.jetbrains.com/pycharm/download/> (Download and install PyCharm Community Edition ONLY - this is free and good for both the classes).

**Hardware:** Mac or Windows Laptop
